Lithuania's Foreign Minister Linas Linkevičius

at the meeting of Stratcom experts
of the Baltic States and Poland
(2016-06-16)

"Some countries disseminate
disinformation considering that the
ends justify the means.

However, all of us, fighting against it
shall be both agile and reverent to
universal values and norms.

It is tough but surmountable, if we
act altogether."

Lithuanian MFA Strategic Communication Group
